

Have you ever wanted something and then it came to you instantly, almost magically?

**Have you wanted something, and then other things came to you instead?**

**Wealth: how do we acquire it?**

Born Inherit Great idea: Invention Hard work Lending Loans Lottery Gifts Find Luck

**What have I manifested?**

**As a child I would ride my bicycle in very nice neighborhoods and say I will have a house like that!**

**Do you speak to yourself like you speak to others?**

**Are you kind, loving, supportive? Do you admire yourself in the mirror? Congratulate yourself?**

**I have more money than I could ever possibly spend.**

When you say it, how does it feel? Are you comfortable?

- **Good stuff I've manifested**
- **My husband, First class trips to Paris and other places, Jobs, Cars, Bicycles, Situations, Parking spaces**
- **Items, Flagstaff Dowsers Conference**
  
- **Energy is contagious : All things are forms of energy; thoughts, beliefs**
- **Energy is impressed upon matter**
- **You are affected by where you are**
- **Energy follows thought**
- **Surrounding area; affected by what goes on around you by 8 miles**

**WHAT DO YOU DO WHEN SOMEONE GIVES YOU A GIFT OR MONEY OR PAYS FOR YOUR DINNER? Do you say thank you? .....Or do you say "oh you shouldn't have!"**

**Energy flows; if you say no to a gift, favor or compliment, you stop further things from coming to you**

- **What you need: notebook**
- **Start dreaming, Anything is possible, Write down what you want, Then put it away (the Gap; Deepak Chopra)**

**Set your intent**

- **How to manifest: Gratitude, be thankful for all that you have, Know that you are worthy of receiving and having the item or situation, Speak in the present tense "I have the perfect car for me", Don't create expectations as to how the item or situation will come to you. Let the Universe do its job., See yourself experiencing what you want.....what would it feel like?**
- **I am thankful that you spent some time with me this afternoon!**
